

Customs Clearance

Documents needed

Which documents do I need in order to get my goods cleared?

At least three documents are required to clear your goods:

- Commercial invoice: issued by the seller, it certifies the sale of the goods by the exporter to the importer.
- Shipping documents: B/L (Bill of Lading), AWB (Air Waybill) or CMR issued by the carrier.
- Packing list: issued by the seller, it accompanies the commercial invoice and specifies the details of the goods.
- Certificates of Origin: where applicable.
